Bernie Sanders President Ballot # 2

Bernie is an honest leader who has always stood for working families to provide more opportunity for all. Building on the best President Obama has done, Sanders wants to:

- Create millions of new jobs and raise the minimum wage to \$15
- Make public college free
- Insure that every American has affordable health care
- Promote diplomacy & avoid unnecessary wars
- Reform broken immigration & criminal justice systems
- Move quickly to a fully sustainable, fracking-free, green economy

Bernie Sanders has the courage to take on powerful interests, like the big banks, and calls for the kind of change that will transform our society into one that works for all of us.

Chaka Fattah Congressional Representative Ballot # 14

Congressman Chaka Fattah has an outstanding 22-year record in support of progressive values which accounts for the widespread support he has garnered from all sectors of the progressive movement. He has worked to improve the lives of residents through education, jobs, housing and transportation. He has a near perfect voting record on environmental and human rights issues, and has consistently opposed the privatization of the Philadelphia public school system. He is a leader with proven results.

Ballot Questions

Question 1. Postponed until the Fall Election.

Question 2: Shall the Philadelphia Traffic Court be abolished? **Vote yes.** The Court has always been a scandal just waiting to happen.

Question 3: Shall the City create a Commission on African-American males which would study and recommend responses to challenges facing African-American males in Philadelphia? **Vote Yes.** This is an important concern in our City which should be the focus of ongoing attention.
