

TREASURER

2024 PROSPECTUS

**Protecting Our Families,
Fighting for Us**

Ryan Bizzarro has been taking on challenges his whole life. After beating leukemia at a very early age, Ryan has dedicated his life to taking on the tough fights—and winning. As a legislator, Ryan has represented all voters, rural and urban, red and blue. He knows what it takes to win in diverse Pennsylvania. In the state legislature, Ryan works to protect seniors, defend a woman's right to choose, expand access to healthcare, and make voting more accessible and inclusive.

Pennsylvania needs someone who is battle-tested and proven to stand up to extremists—and WIN. As our next Treasurer, we can trust Ryan to fight for our families, our values, and our future.
